

S-22

AD-LIB FEEDER WITH WATER FOR PIGS WEIGHING FROM 25 KG TO SLAUGHTER WEIGHT

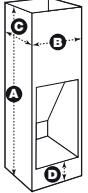

Feeder type S-22 is a very good feeder with water supply for pigs weighing from 25 kg to slaughter weight. A pendulum solution ensures easy access to the feed. The 2 feeding places are separated by a water pipe with a drinking nipple. The drinking nipple is available for both feeding places.

There are 2 versions: 1P with one pendulum and 2P with 2 pendulums.

The Domino S-22 is also noted for the following:

- Strong materials, PE plastics and stainless steel
- Stainless steel section reinforced edges
- No sharp edges that can harm the animals
- Easy to clean
- Supplied fully assembled and ready for installation
- Multiple feed amount setting ensuring minimum feed waste
